Dear Parent or Guardian

"ACTIVITIES FOR ALL" FUND

Some funding is available to help support children and young people to access more activities outside normal school hours where economic or social circumstance has prevented them from doing so. This funding could be used to help with school trips. It also aims to provide greater leisure and activity opportunities for Looked After Children.

We know that children do better at school and within social peer groups if they can join regular organised activities after school or at weekends. These activities give children an opportunity to practice a sport, learn a new craft or skill, develop social skills or simply build confidence by having fun with other children.

One way that Orwell High School can use this funding is to offer support to families who meet one of the following criteria and who might need additional help to fund out of hours activities for their child :

- Eligible for Free School Meals
- Young carer
- Homeless/overcrowded accommodation
- Economically disadvantaged with SEN
- Looked After Children
- From EAL (English as another language) or traveller family
- Experiencing exceptional difficult family issues
- Other disadvantaged children at the discretion of the Headteacher or other professionals dealing with children and young people eg youth worker/School Nurse/Police Officer/Social Care staff/other professionals

If you feel you fit the criteria and would like to take up this offer for your child please complete the reply slip below and return in a sealed envelope as soon as possible to Mrs Fountain.

Yours sincerely

Miss P Doyle
Acting Head of School
